

*Perfect for flush mounting at ceiling & wall corners*

## NEMA 1 Angled Trough

- Angled cover opposing the back corner allows mounting flush into a corner
- Conduit entry from both sides without blocking the cover with minimal space lost
- Constructed from 14 or 16 gauge steel
- Two layers of corrosion protection with ANSI 61 gray epoxy paint *OVER* galvanized steel or can be ordered without paint
- Available with or without knockouts
- Removable riveted endcaps allowing multiple units to be joined (using special coupling)
